## STUDY HABITS

We are quickly approaching the end of the year and it is important that the students maintain their study habits. With the nicer weather upon us, our thoughts begin to turn towards our summer holidays. Please help your child to stay focused and keep up with their routine and study habits. There are still evaluations that need to be completed before the end of the school year.

## CHILD SAFETY

With the nicer weather upon us some students are riding their bikes to school. Please be sure to go over the safety rules with your children. All bikers must wear a helmet when riding their bikes. If your child rollerblades, they must also wear a helmet.
