

Good Afternoon,

The Lester B. Pearson School board has received official notice from Transco Inc., one of our bus carriers, of a planned work stoppage (strike) on the part of its drivers. Those drivers are in a legal strike position and their intention is to suspend service on Tuesday, January 30th and Wednesday, January 31st. Transco services the following bus routes at St. Charles: **28, 42**

Therefore, there will be no yellow school bus services for students on those routes next Tuesday and Wednesday. Alternative arrangements will need to be made for your child (ren) to get to and from school. Parents are encouraged to carpool wherever possible to limit the increased traffic flow around our building. Secondary students are encouraged to use the STM if they can.

The St. Charles daycare is available for those two days for anyone needing to use those services to ease transportation issues. If you need to use those services, please complete the form which was linked in the email message sent to affected parents on Wednesday. If you require a hard copy of that form, please contact St. Charles directly.

As always, should you have any questions or concerns regarding this issue, please do not hesitate to contact the school.

Regards,

A.Geller
